

NAME: _____

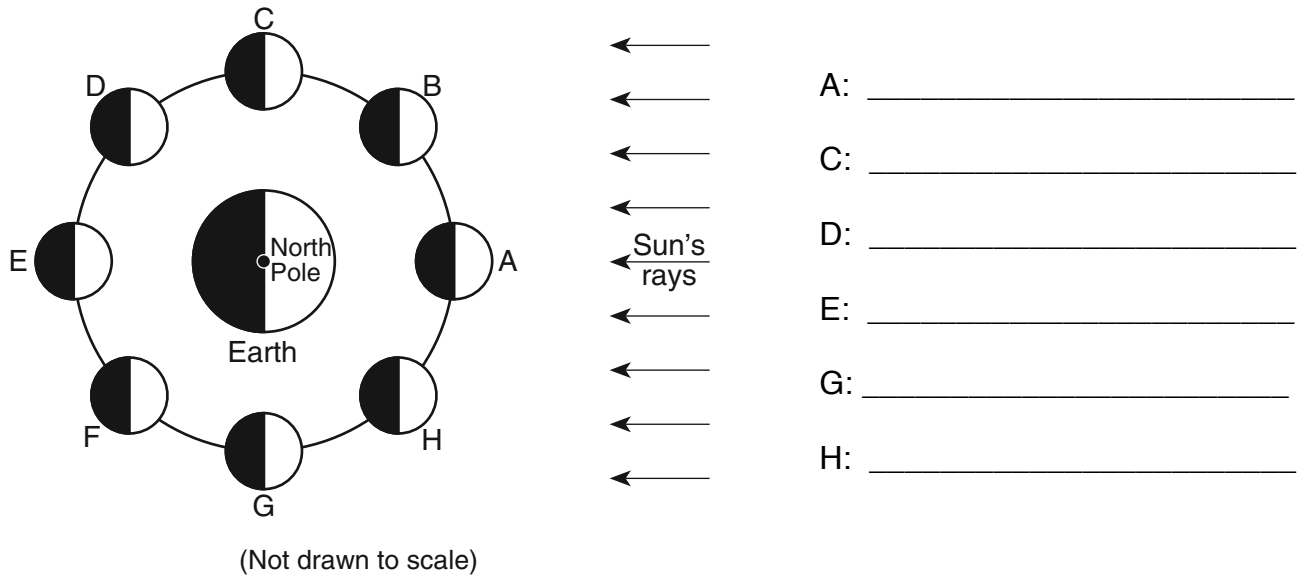

Date: _____

MOON PHASES

In the blank circle, draw the moon phase we would see if we were on Earth in the diagram and then write the name of that moon phase on the blank line

  _____	  _____
  _____	  _____
  _____	  _____

Use the diagram below to fill in the name of the moon phases for the position indicated by the letter

In the space below, draw a diagram with the Sun on the right, so that if we were on Earth we would see a waning crescent moon.

In the space below, draw a diagram with the sun on the left, so that if we were on Earth we would see a waxing quarter moon.
